

Beverly Hallfrisch

Traverse City, MI

Beverly grew up in the Sault in the U.P., where the sound and sight of freighters was part of the daily backdrop. Having never been an athletic individual, she naively signed up for the 2020 Mackinac Bridge Swim. Though the 2020 event was not to be, it led to the discovery of an amazing swim community and love (and a fair amount of anxiety) of open water swimming. She regularly does open water swims in Michigan and has done swim adventures in Vietnam and the Maldives.
